

Secure Your Daycare Center!

You've Already Got Your Hands Full With The Kids & Staffers, Lose The Keys & Liability Of Missing Ones With Trilogy Keyfree Pushbutton Locks

Easily get keyfree convenience & enhance access security:

Lock the entry door & allow ONLY AUTHORIZED personnel entry thru a PIN and/or PROX • PREVENT UNAUTHORIZED visitors access to children • Time zones allow for non entry except during drop off and pick up times • View up to 40,000 event audit trail logs to see who accessed the Day Care Center (time & date stamped) • 150 to 500 scheduled events • Assign multilevel security user codes (3-6 digits) and/or HID prox cards to employees, parents, contractors, etc.

We're your access control specialists, call us today:

"Alarm Lock's Trilogy access control locks stop unauthorized visitors from gaining access to Day Care Centers. Programmable scheduling allows users to gain entry at specific times."
