

PowerChoice

Salient's PowerChoice is built to last. Long-term reliability coupled with enhanced memory and storage capacity, this mini-tower unit fits any physical environment. Engineered for the rigors of continuous duty operations in video surveillance, and using the best in class components PowerChoice offers the perfect balance in value and performance. Easy access to system components provides for faster service, upgrades and a new, highly efficient power supply that minimizes energy consumption.

Features

- Record, live view, playback, archive video
- Hybrid NVR for analog (max 32 channels) and IP cameras
- Mid-tower form factor with chassis
- Front access with locking bezel for hotswap

Tech Specs at a Glance
