Choose the iBridge App for any smart phone or tablet -or- the Optional 7" Portable iBridge Tablet with Wall-Mount Dock.

Control/reset your thermostat and lights on-premises or remotely. Energy Management can result in dramatic utility bill savings.

See Live HD video with iBridge App on your smart phone or at home with an iBridge Touchscreen.

Alarm System & Locks controlled easily, anywhere, too. Get alerts & notifications sent to your phone, too.!

iBridge... Life is hard. Staying connected & in control doesn't have to be.

Ask our security professional:

Make iBridge part of your new security system or add video, automation or remote services to your existing alarm: Use iBridge App affordable remote services on any smart phone, tablet or laptop/PC; or, use iBridge 7" portable WiFi Touchscreen Tablet with easy magnetic docking/charging station wall frame. Either provides intuitive control of a comprehensive, professional Napco Security System (not shown).
