AMCX.S2576 - Central-station Alarm Units
Central-station Alarm Units

Napco Security Technologies Inc   S2576
333 BAYVIEW AVE
AMITYVILLE, NY 11701 United States

Investigated to UL 1610 3rd Ed. Revised: 2015-03-20

Accessory: End of line resistor Model(s) EOL10K

Computer converters, for use with CU GEMP9600 for supplementary use only Model(s) GEM-RS232

CU accessory: battery diode harnesses Model(s) BDH (*1)

CU accessory: keypads Model(s) CC-RP2AS (CCRP2AS), CC-RP3DGTL

CU accessory: keypads Model(s) CC5502LCD (*1), CF5500LCD (*1), RP3000LCD (*1), CF3000LCD (*1)

CU accessory: keypads Model(s) GEM-RP1CAe2(XXX), GEM-DRP1CA(XXX), GEM-K1CA(XXX), GEM-DK1CA(XXX), GEM-DK1CAS(XXX), GEM-RP2ASe2(XXX), GEM-K2AS(XXX), CC-K1CA(XXX), CC-K2AS(XXX)

CU accessory: keypads Model(s) RP3000LCDe (*2), CF3000LCDe (*2)

CU accessory: keypads, for use with CU GEMINI Model(s) GEM-RP3DGTL, GEM-K3DGTL, GEM-DRP3DGTL, GEM-DK3DGTL, GEM-DK3DGTLS

CU accessory: printer cable assemblies Model(s) PCBL (*1)

CU accessory: programmable output modules Model(s) GEM-OUT8

CU accessory: relay modules Model(s) RM3008 (*1)

CU accessory: transformers with housings Model(s) TRF15 (*2)

CU accessory: zone expanders Model(s) GEM-EZM4 (*1), GEM-EZM8 (*1)

CU subassembly: housings Model(s) TH1 (*2)

CU subassembly: power supplies Model(s) PS3000 (*2)

Subassembly "Starlink" Model(s) SLE-WiFi-Module (*3)

Subassembly Model(s) SLE-ULPS-R power supply module

Investigated to UL 1610 3rd Ed. Revised: 2015-03-20

SLE-LTEV-CB-C, SLE-LTEV-CBTF-C, SLE-LTEV-C, SLE-LTEV-Z (*4)	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions
Investigated to UL 1610 4th Ed. Issued: 2016-07-05					
SLE-MAXA	Communicator	-	Standard	-	-
SLE-MAXA-C	Communicator	-	Standard	-	-
SLE-MAXA-CB	Communicator	-	Standard	-	-
SLE-MAXA-CB-TF	Communicator	-	Standard	-	-
SLE-MAXA-CBTF-C	Communicator	-	Standard	-	-
SLE-MAXA-Z	Communicator	-	Standard	-	-
SLE-MAXAI-CFB	Communicator	-	Standard	-	-
SLE-MAXAI-CFBPS	Communicator	-	Standard	-	-
SLE-MAXAI-FIRE	Communicator	-	Standard	-	-
SLE-MAXV	Communicator	-	Standard	-	-
SLE-MAXV-C	Communicator	-	Standard	-	-
SLE-MAXV-CB	Communicator	-	Standard	-	-
SLE-MAXV-CB-TF	Communicator	-	Standard	-	-
SLE-MAXV-CBTF-C	Communicator	-	Standard	-	-
SLE-MAXV-Z	Communicator	-	Standard	-	-
SLE-MAXVI-CFB	Communicator	-	Standard	-	-
SLE-MAXVI-CFBPS	Communicator	-	Standard	-	-

SLE-MAXVI-FIRE	Communicator	-	Standard	-	-
SLE-FNI-CFB (a), SLE-LTEVI-CFB (a)	Communicator/ /Radio	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions
SLE-FNI-FIRE (a), SLE-LTEV-FIRE (a)	Communicator/ /Radio	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions
SLE-LTEA	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions

SLE-LTEA-8D	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions
SLE-LTEA-CB	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions
SLE-LTEA-CB-TF	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions

SLE-LTEA-CFB	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions
SLE-LTEA-CFB-PS	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions
SLE-LTEA-FIRE	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions

SLE-LTEAI-CFB	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions
SLE-LTEAI-CFBPS	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions
SLE-LTEAI-FIRE	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions

SLE-LTEV	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions
SLE-LTEV-8D	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions
SLE-LTEV-CB	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions

SLE-LTEV-CB-TF	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions
SLE-LTEV-CFB	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions
SLE-LTEV-CFB-PS	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions

SLE-LTEVI-FIRE	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions
SLE3/4GI-CFB-PS, SLE3/4GI-CB-TF, SLE3/4GI-CFB, SLE3/4GI-CB, SLECDMAI-CFB-PS, SLECDMAI-CB-TF, SLECDMAI-CFB, SLECDMAI-CB, SLE-GSMI-3/4G, SLE-CDMAI, SLE-GSMI-FIRE, SLE-CDMAI-FIRE Model numbers may be followed by an alpha/numeric suffix for marketing purposes (*3)	Communicator	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions
SLE-FNI-CFB-PS (a), SLE-LTEVI-CFBPS (a)	Communicator/Radio	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions

SLE3/4G-CB, SLE3/4G-CB-TF, SLE3/4G-CFB, SLE3/4G-CFB-PS, SLE-CDMA, SLE-CDMA-8D, SLE-CDMA-FIRE, SLE-GSM-3/4G, SLE-GSM-8D-3/4G, SLE-GSM-FIRE, SLECDMA-CB, SLECDMA-CB-TF, SLECDMA-CFB, SLECDMA-CFB-PS	Communicators	-	Standard	-	For use with compatible Listed control units and central station receivers as indicated in the installation instructions

(*1) - Complementary Listed to AOTX, APAW, NBSX, NBSX7, UTOU, UTOU7.

(*2) - Complementary Listed to AOTX, APAW, NBSX, UTOU.

(*3) - complementary listed to UTOU,NBSX,UOXX

(*4) - Complementary Listed to UTOU

(a) - Model numbers may be followed by an alpha/numeric suffix for marketing purposes.
