FireLink FACP **FireLink Cloud Programming**

Integrated Fire Alarm Control Panel Sole or Dual Path Communicator

Save time and money with FireLink Integrated 8-32Pt FACP with StarLink[®] Fire Cellular Communicator inside, while offering a new RMR stream from Fire. Now with cloud-based programming, FireLink in Cell and Cell/IP Dual Path versions, can be programmed from any smart device or tablet (no special software, training or laptop required) using easy drop-down menus on www.FireLinkPro.com. Beyond FireLink's default sprinkler supervisory 8 Zone program, Cloud portal adds ease of expanding and customizing the FACP across its max. 32 zones, using any mix of conventional, addressable &/or wireless devices.
