

NAPCO StarLink CDMA Recycling Program

To assist in managing the Verizon CDMA sunset, NAPCO has instituted a CDMA communicator recycling program. Return any CDMA StarLink Communicator removed from service and receive a \$5.00 credit per device. Participation is simple:

1. Complete the form below and email to StarLinkRecycling@napcosecurity.com

You will receive back an RMA number for the return, with a prepaid UPS shipping label.

2. Pack your radios to be returned into a carton (remove/discard the CDMA antenna).

- For plastic radio models, pack in their plastic enclosure
- For metal enclosure radio models, remove the radio circuit board from the enclosure and wrap in newspaper before packing.

3. Drop off at any UPS Store.

Upon receipt at NAPCO, the recycling credit will be added to the requested account(s); a confirmation email will be sent to you.
