Subject: Silencing Arming Announcements

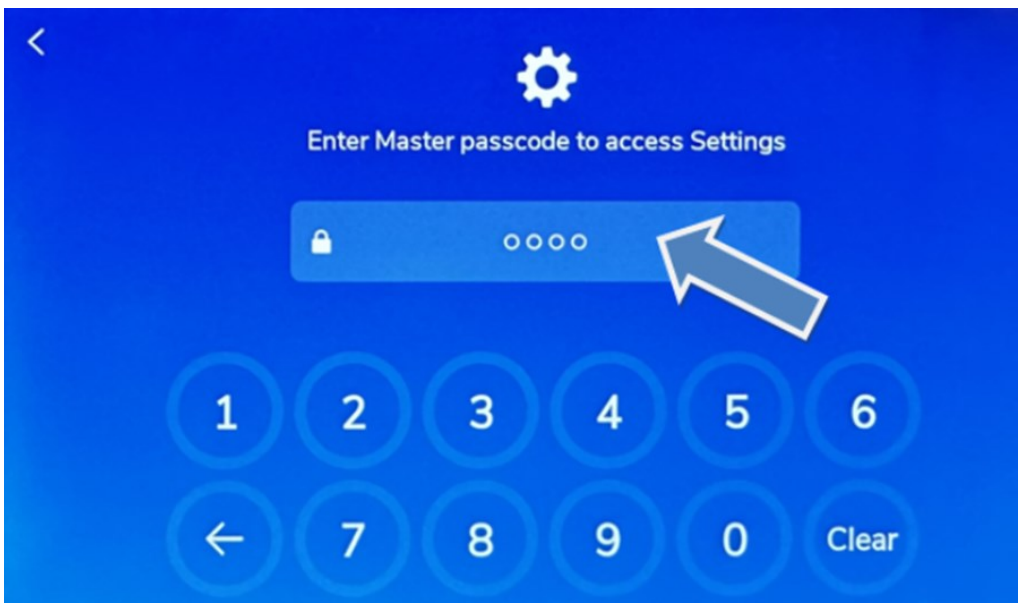

Models: Prima Super Panel

To silence your Prima Super Panel arming/disarming voice announcements:

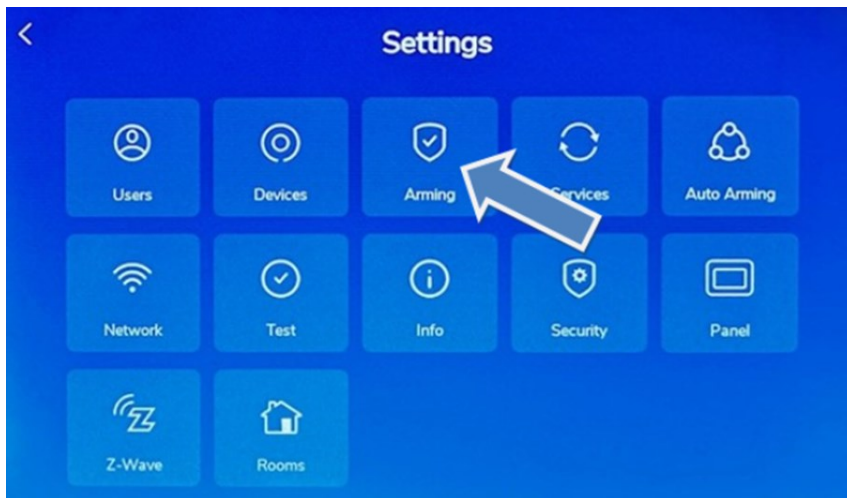

1. Select the 'hamburger' (**Settings**) icon at the top left of the Home screen:

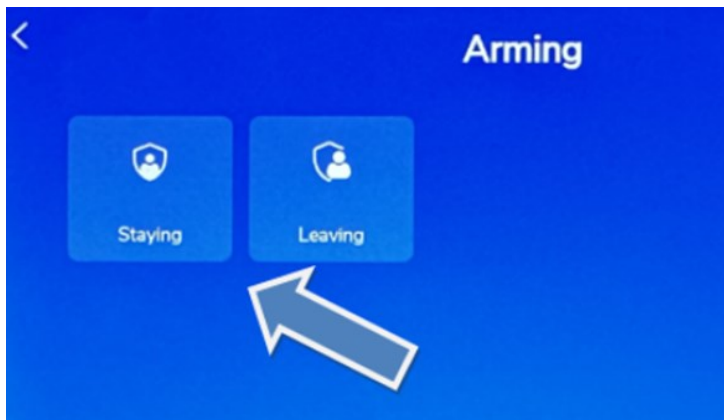

2. Enter your Master passcode:

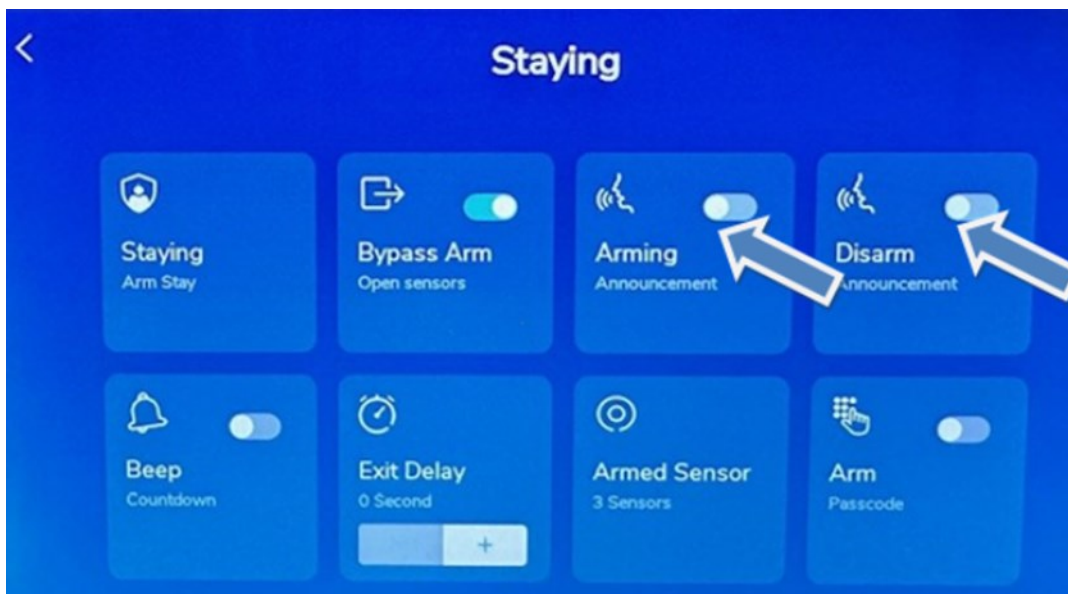

3. Select **Arming**:

4. Select the arming function you wish to change (**Staying** selected in this example):

5. Select the settings you wish to change (toggle on or off):

(**Note:** The same options are available for **Staying** or **Leaving**).
